Follow us on:     

Growth is the only option and change is the only constant in our rapidly changing world where things are moving towards the future with tremendous technological advancement. Consistent Infosystems Private Limited started its glorious journey in 2011 in the capital city of India, New Delhi. Founded by the visionary leaders Mr. Nitin Bansal and Mr. Yogesh Agrawal with a commitment at delivering value to its customers, vendors and employees, Consistent Infosystems Private Limited has become one of the fastest growing IT organization with products catering to IT, Electronics & Home Entertainment industry.

Riding on its innovative approach for over a decade, Consistent has grown successfully and has increased its footprint across all major states in India with **24+** branches, team of **300+** employees, **400+** products in its portfolio and more than **3500+** channel partners.

Leadership and vision clubbed with teamwork and technological advancement in the products has made Consistent a promising brand offering technologically superior products and world class technical support.

Consistent has **78+** service centres across the country ensuring that customers have easy after sales support.

Quality and service are the key parameters on which Consistent has laid its foundation and remain to be of paramount importance in everything they do to provide customer satisfaction.

Consistent has been investing its resources to ensure a future that is '**Smarter, Better and Best for Mankind**'.

- Third Party RTSP Protocol

EAGLE CAMERA WARM BULLET

- HD Video Output
- High Quality Fixed Lens
- Color Distance Upto 20 Meter
- POE In-built, Power 12V/1A
- Support ONVIF, Access
- Third Party RTSP Protocol

4G COLOUR DOME

- HD Video Output
- Plastic casing indoor proof
- 3-axis adjustment housing
- Strong single anti-interference ability
- Operating Temperature-10C-50C

4G COLOUR BULLET

- Video LIVE or Playback Video
- IR LEDs for crisp and clear night vision
- 3MP Video along with high quality audio
- AV Playback built in speaker and microphone
- SD card upto 128GB and cloud storage

4G SOLAR LINKAGE

- Dual Intelligent Camera
- 3MP + 3MP resolution for clear & sharp visuals
- Two Way Audio Intercom
- Humanoid & Motion Detection
- Upto 256GB SD Card Support

WI-FI 3MP MINI PAN-TILT CAMERA

- 3MP/2MP HD robot Wi-Fi camera
- Self hotspot connection for local view detection
- Smart humanoid tracking and alarm push
- Two way audio communication
- Support TF card 256GB & cloud storage

4G PT CAMERA

- 3MP HD Resolution
- Support Two Way Audio Communication
- Support Motion Detection, Human Tracking, Alarm Push
- Dustproof & Waterproof, Suitable For Indoor, Outdoor
- Support Multi-platform Remote Monitoring

4G PT Z SOLAR DUAL LENSE PAN-TILT ZOOM

- 3MP HD Resolution
- Support 2 way audio communication
- Dual lens (4mm & 8mm)
- Dual Light Vision with 10x optical zoom
- Support motion detection, human tracking alarm push

4G SMART LINKAGE

- Dual Intelligent Camera
- 2MP resolution for clear & sharp visuals
- Two Way Audio Intercom
- Humanoid & Motion Detection
- Upto 256GB SD Card Support
